

Position Description: Director of SNAP

Benefits in Action is a nonprofit organization dedicated to supporting our diverse community with a focus on the elderly and underserved, to improve their understanding, access, and utilization of food- and health-related benefits to enhance food security, health, and well-being. In 2022, Benefits in Action provided services to more than 14,000 individuals by assisting them with Medicaid, Medicare, Connect for Health, SNAP, food delivery, and issues related to social isolation. Volunteers are an integral part of our organization.

About the Role:

The Director of SNAP at Benefits in Action is responsible for oversight of outreach, education, navigation, and application assistance for the Supplemental Nutrition Assistance Program (SNAP) and for managing and reporting the grant funding that supports this program at Benefits in Action.

The Director of SNAP will be responsible for supervising navigator staff and volunteers to ensure compliance with program funding and responsibilities, provide subject matter support and training SNAP and other programs designed to increase food security in our communities. The Director of SNAP will manage county relationships including human services, public health, workforce development, and elected officials.

The Director of SNAP will manage Benefits in Action's co-location and partner agreements and collaborations. The SNAP Director will also manage Benefits in Action's SNAP sub-recipient contracts as well as our outreach into various parts of the state including southeastern Colorado.

The Director will be responsible for regular and accurate data, data analysis, and grant reporting that is attributed to this position.

The Director will ensure all staff and volunteers maintain HIPAA protocols, utilize reporting tools accurately and efficiently, provide exceptional customer service to clients, and work according to Benefits in Action culture and values.

The Director of SNAP reports to the Executive Director, serves on the leadership team, and works closely with other Directors and operations staff to ensure staff and volunteers meet and maintain productivity and efficiency goals, and are compliant with grant budget and responsibilities. The Director of Programs models appropriate behavior and work style to all staff.

Education/ Work Requirements:

- Bachelor's and/or master's degree in healthcare management, Social Work, Human Services or related field and/or work experience required
- 2-4 years' work experience in a related field
- Knowledge of HIPAA practices
- Knowledge of and experience in the administration of Supplemental Nutrition Assistance Program and other federal, state, local and grant-funded programs; their regulations, processes, and financial eligibility qualifications.

Other Required Strengths:

- Demonstrated experience working with diverse populations.
- Supervisory experience
- Strong computer skills and program proficiency
- Strong written and verbal communication skills
- Strong organizational, logistical and time management abilities
- Ability to manage multiple projects at one time.
- Ability to work with individuals and organizations at all levels.
- Ability to be flexible and work on a passionate team.
- Willingness to jump in where needed.
- Maintains a valid driver's license and adequate insurance for transportation to meetings/appointments.
- Experience with Microsoft 365 and SharePoint preferred.
- Bilingual (Spanish/English) preferred.

Position Type/ Work Schedule: This is a full-time, exempt position, requiring occasional evening and weekend work and the ability to be flexible and responsive to emergent needs of Benefits in Action.

Compensation & Benefits:

- \$70,000 - \$82,000 annually (depending on experience)

- Medical/Dental/Vision/Life Insurance/Short- and Long-Term Disability/Retirement
- Paid time off benefits (holiday, sick, vacation)
