

Position Description - Benefits Navigator IV

Benefits in Action is a nonprofit organization dedicated to supporting our diverse community with a focus on the elderly and underserved, to improve their understanding, access, and utilization of food- and health-related benefits to enhance food security, health, and well-being. In 2022, Benefits in Action provided services to more than 14,000 individuals by assisting them with Medicaid, Medicare, Connect for Health, SNAP, food delivery, and issues related to social isolation. Volunteers are an integral part of our organization.

About the role: The Benefits Navigator IV will connect with consumers from the larger community in the Benefits in Action office, at a satellite location, virtually, or via community representation and presentations. The objective will be to provide direct service to those clients in need of navigation, education, and/or application assistance. The Benefits Navigator IV will provide for education, opportunities, and assistance to individuals in need of navigating specific benefits such as SNAP, MAGI Medicaid, cash assistance, CCCAP, LiHeap, RTD LiVE, Long-Term Care Medicaid, Medicaid Home and Community Based Services, Social Security Disability, Medicare, Medicare Savings Programs or Connect for Health Colorado. This position is responsible for training other staff in these very complex situations and working across benefit systems to provide excellent service to our clients. The Benefits Navigator IV is responsible for managing at least one of Benefits in Action's grants or contracts including data gathering and analysis and reporting to funder and Benefits in Action executive team. Reports to the Manager of Adults and Families or their designee.

Key Responsibilities:

Counseling/Direct Service Provision (55%)

- Assess complex under and uninsured consumers and families for health care coverage, community, and assistance benefits.

- Receive referrals from community agencies (contracted and associated)
- Conduct interviews with clients to determine the level of benefit literacy and utilization and track results.
- Assist clients with completing benefits applications in the appropriate system with as much complete and accurate information as is possible and necessary to apply for benefits.
- Initiate contacts with consumer/family/representative to assess necessary assistance and prioritization of needs through events (tabling and presentation)
- Meet with clients as scheduled; must be on-time to appointments and prepared to assist with the appropriate benefit applications.
- Attend appointments at other agencies with/or to represent consumers as appropriate.
- Documentation according to policies and procedures, and in the consumer's file in our database.
- Obtain release of information, completion of application, necessary Department of Human Service forms; explain health insurance benefits and other benefits processes, and follow-up needs.
- Work together with the Manager of Navigation or their designee to determine the merits of each case prior to acceptance, if required.
- Complete clear action plans, prioritization of caseload to move each case to closure.
- Serve as a liaison between consumers and families, Benefits in Action partners and community agencies.
- Participate in regular exchanges of information and presentations of Benefit in Action team members and community agencies when appropriate.
- Training of Benefit Navigators in complex health benefit cases.
- This position will supervise at least one employee or multiple volunteers.
- Assist with other benefit applications as needed, including but not limited to Magi Medicaid, SNAP, LiHEAP.
- Attend all required Staff meetings.
- This position is metric driven, and navigator will be held accountable for the following metrics to be jointly decided by employee and supervisor at least twice each year:
 - Productivity as measured by number of appointments, number of applications, and number of client successes.
 - Efficiency as measured by length of time to complete phone calls and applications (based on application type)

- Customer satisfaction survey results
- Supervisor evaluation
- Regular completion of dashboard and any reports and updates requested by Supervisor.
- Timely reporting to funder on grant or contract program supervised by this position.

Outreach (15%)

- Attend appointments at other agencies with/or to represent consumers as appropriate.
- Responsibility for managing relationships with at least one outreach/co-location partner.
- Initiate contacts with consumer/family/representative to assess necessary assistance and prioritization of needs through events (tabling and presentation)
- Join and attend appropriate community education to increase knowledge of Benefits in Action services.
- Work with community organizations to develop ongoing relationships, collaborations, and partnerships, focusing on key decision makers at target organizations.
- Work with the Executive Team to formalize partnerships which may include development of Business Associate Agreement, Memoranda of Understanding, processes, and procedures.
- Develop and track potential and ongoing community partners and relationships and report back to the Benefits in Action leadership team.
- Represent Benefits in Action in regularly scheduled community and/or partner meetings and report back to the Benefits in Action team as requested.

Reporting, Supervision, Database Administration (30%)

- Responsible for at least one grant funded program and ensures compliance with grant parameters and reporting.
- Maintain reports and provide necessary documents by deadlines and upon request.
- Uphold HIPAA policies and procedures throughout the process.
- Enter and track data in HIPAA compliant systems to ensure accurate client tracking and follow up.

- Stay current with local, state, and federal changes that relate to Medicaid, Medicare, SNAP, Connect for Health Colorado, Social Security, and federal, state, and local assistance programs.

Education/ Work Requirements:

- Bachelor's and or master's degree in healthcare management, Social Work, Human Services, or related field and/or work experience preferred.
- 3+ years' work experience in a related field
 - 2+ years of direct client counseling
 - 2+ years of database entry and/or reporting
- In-depth knowledge of specific health benefit programs including, but not limited to, Social Security Disability, Long Term Care Medicaid, Connect for Health Colorado, and knowledge of HIPAA practices
- Knowledge of a variety of health programs from Medicaid, Medicare, federal, state, local and grant-funded programs; their regulations, processes, and financial eligibility qualifications, and/or expertise in one of the above areas
- Experience in public speaking.
- Experience in staff training

Other Required Strengths:

- Demonstrated experience working with diverse populations.
- Demonstrated problem solving ability.
- Strong computer skills and program proficiency
- Strong written and verbal communication skills
- Strong organizational, logistical and time management abilities
- Ability to manage multiple projects at one time.
- Ability to work with individuals and organizations at all levels.
- Ability to be flexible and work on a passionate team.
- Ability to work independently.
- Willingness to jump in where needed (we're a small team!)
- Maintains a valid driver's license and adequate insurance for transportation to meetings/appointments.
- Experience with Microsoft 365 and SharePoint preferred.
- Bilingual (Spanish/English) preferred.

Position Type/ Work Schedule: This is a full-time, exempt position, requiring occasional evening and weekend work and the ability to be flexible and responsive to

emergent needs of Benefits in Action. Work will be in the office or in the community; reliable transportation is required.

Compensation & Benefits:

- \$52,000 - \$56,000 (depending on experience) Benefits in Action will add up to 10% additional compensation for proven bilingual speaking, reading, and writing skills. (For languages specific to Benefits in Action's needs)
- Paid time off benefits (holiday, sick, vacation) Vacation includes two weeks off on company selected weeks and two weeks off at your discretion earned per hours worked.
- A competitive benefits package will be provided.
